

JANUARY 2021

**ECB NATIONAL DISABLED COUNTY  
CHAMPIONSHIP – D40LEAGUE 2021 SEASON**

## Introduction

Welcome to the 23<sup>rd</sup> season of domestic disability competition. The 2020 season will go down long in the memory of all of us as the season that never was! The COVID-19 pandemic had a devastating effect on us all and the price to pay was a very high one.

All of the planning and organising that we did looking forward to the 2020 season all drifted away and cricket itself was only allowed to be played under close restrictions from the end of July.

Since the close of the 2020 season, we have been working really hard to ensure we are able to offer a full competition in 2021 (COVID-19 allowing) and our planning has been based on that.

For 2021 we are introducing a new structure for the D40 competition. We have done away with the semi-finals and finals and have altered the structure to a 'National' Division one. This is backed up by two very competitive division twos.

We have introduced promotion and relegation and have lifted certain restrictions in Division one, whilst restrictions remain in place in division two

We have also invested in stumps and boundary markers for all teams, these have all been overprinted without competition logos on them. This just gives the competitions a touch of professionalism.

We are also asking all teams that take part in the D40 competition to migrate to using the play-cricket scorer apps to score games. The apps can be used on smart phones, tablets, or PC's. Games can be scored with a live internet feed or can be standalone with the option to upload the scoresheet onto the competition play cricket website at the click of a button!

We do hope that we will all be able to fulfil a full season in 2021 and in doing so we hope that the weather will be kind to us.

I hope to be able to catch up with you around the country during the summer months, I really do miss that aspect of our game so much. Finally, it just remains for me to wish all that take part in matches in 2021 the very best of luck and more importantly, I hope very much that you enjoy your cricket

# 1 Generic Rules

- 1.1 All teams that enter the competitions must ensure that the players registered are eligible to play. Eligibility is based on a player undergoing a classification assessment (PD) or providing the correct documented evidence (LD), or, for deaf or hard impaired players the production of an audiogram. County Management are responsible for ensuring their players are registered and have either undergone eligibility or are in the process of having eligibility verified.
- 1.2 It is strongly recommended that each team should have a Team Manager. The Team Manager must be made known to the Competition Manager and will become the main point of contact for that team. The Team Manager must be in possession of a current DBS certificate.
- 1.3 It is also strongly recommended that each team have, as a minimum, a level 2 qualified coach, who is responsible for coaching the squad. You will be required to inform the Competitions Manager of your coaches on the Information Form. All coaches need to be members of the ECB Coaches Association and must be in possession of a current DBS certificate
- 1.4 There is no reason why the Team Manager and Coach could not be the same person.
- 1.5 Each team should also have a dedicated scorer where possible. The scorer must be in possession of a current DBS certificate.
- 1.6 There is no reason why a county or collaborative group cannot have more than one team playing in the competitions.
- 1.7 Each national league game MUST be officiated by ACO member umpires via your county board.
- 1.8 All results and scoresheets MUST be entered onto the league's Play Cricket website: [www.disabilitycomps.play-cricket.com](http://www.disabilitycomps.play-cricket.com)
- 1.9 All scoring should be carried out using the ECB Play Cricket Scorer app.
- 1.10 ECB will be responsible for the running and organisation of the competitions. In the event of any dispute, contravention of playing conditions, misconduct of players or officials or other matter relating to the leagues, ultimate authority will rest with the ECB through its Competitions Manager.
- 1.11 The ECB will provide sufficient match balls to the home teams. A new ball should be used at the commencement of each innings. Teams should ensure that they have enough spare balls available, should the need arise.
- 1.12 Games should also be played on fully prepared grass pitches. Teams are encouraged to use the best available facilities that they can, as these are county level fixtures. Consideration should always be given to appropriate facilities for the various disabilities that will need to use them.
- 1.13 All games will be played with the specified competition ball, pitches will be 22 yards long. Each innings will commence with a new ball. Tea will be taken between innings and the interval should not exceed 30 minutes.

## 2 Playing Regulations

- 2.1 With the following exceptions all cricket matches will be played in accordance with the current M.C.C laws.
- 2.2 Prior to the start of the match, with the agreement of the umpires and managers, a runner may be requested for any batsmen with severe ambulatory problems. Runners must be members of the nominated team.
- 2.3 With regard to 'Law 24 No Ball', any ball passing on the full above waist height whether the batsman is standing or seated will be called No Ball and dealt with accordingly.
- 2.4 With regard to 'Law 42 Fair and Unfair Play' penalty runs will not apply.
- 2.5 Fielding Restrictions – No fielder shall be allowed to field closer than 11 yards from the middle stump, except behind the wicket on the offside, until the batsman has played the ball.
- 2.6 Wheelchairs or other walking aids etc. will be classed as a normal part of a batsman's equipment and will be treated as such with regard to 'Law 36 LBW' and 'Law 35 Hit Wicket'.
- 2.7 When fielding, wheelchairs and walking aids may be used to field the ball without penalty under 'Law 41 Illegal Fielding'.
- 2.8 A ball struck by the batsman that rebounds from their wheelchair and is caught by any member of the fielding side without being grounded before or after hitting the wheelchair, will be considered a fair catch. However, a ball which lodges or rests in or on a wheelchair will not constitute fair catch.
- 2.9 **Bowling Actions** – agreement must be sought by both captains and in conjunction with the umpires for bowlers who are unable to bowl in the conventional manner due to their disability. Generally, the ball must pitch once before reaching the batsman, however, part of the agreement must also include the option for agreed bowlers to pitch the ball more than once due to their disability as long as the delivery is deemed as not dangerous and within the 'spirit of the game'.

## 3 Exceptional Circumstance Rules

- 3.1 Should a division finish where two team are equal on points and the result would affect the outcome of any teams' final placing in their respective division, those placing would be decided by using (i to v) below in that specific order until the places have been satisfied.
  - i. The 'net run rate' for each team will be calculated using the standard formula. The team's net run rate is calculated by deducting from the average runs per over scored by that team throughout the competition.
  - ii. If the values are still level, then the team with the greatest number of wins will be declared as division winner.
  - iii. The team with the greatest number of points gained from 'played' matches will be declared the winner (ie subtract points gained from defaulted or cancelled fixtures).
  - iv. The result of the head-to-head between the two teams (if teams have played each other twice and one team has won both then this rule will still apply, however if they have one once each, then the winner will be the team who have accrued the highest number of runs in their head-to-head games).
  - v. If still level at this stage, then the total number of wickets taken during the season by both teams will be calculated and the winner will be declared as

the team with the higher number.

- 3.2 Should a county need to 'drop out' of a competition **DURING** the season, the following rule will apply:
- I. All results of games played by that team will be expunged from the records. Any points gained, and any penalty points given for any team as a result of a match against the offending team will be removed from the records too.
  - II. Divisional tables will be adjusted to show these changes.

## 4 Wearing of Helmets

- 4.1 All players in the D40League competition aged 18 years old or younger **MUST** wear head protectors or helmets whilst batting which have been tested against a hard cricket ball and are listed on the ECB website.
- 4.2 A full list of approved headwear can be found at <http://www.ecb.co.uk/information/ecb-and-pca-guidance-head-protectors-helmets>.
- 4.3 This should also apply where teams have organised practice sessions for D40League games.
- 4.4 Wicketkeepers under the age of 18 should wear a head protector with a faceguard, or a wicketkeeper face protector, at all times when standing up to the stumps.
- 4.5 Any individual taking responsibility for any player(s) under the age of 18 should take reasonable steps to ensure this guidance is followed at all times. No parental consent to the non-wearing of a head protector should be accepted.
- 4.6 It is also strongly recommended that players over the age of 18 also wear protective headgear whilst playing D40League matches or practice sessions.
- 4.7 It is recommended that all players irrespective of age, who have disability issues that reduce mobility, or for those who have historical head injuries, should wear helmets whilst batting.
- 4.8 A further recommendation would be to advise such players to wear helmets whilst fielding, particularly if the fielder is positioned in front of the facing batsmen and is on the 11yard restriction.
- 4.9 As with the under 18 rules regarding wicket keepers, it is recommended that all players should wear a head protector with a faceguard, or a wicketkeeper face protector, at all times when standing up to the stumps.

## 6 Fast Bowling Directives

AGE	MAX OVERS PER SPELL	MAX OVERS PER DAY
Up to 13	5 overs per spell	10 overs per day
U14, U15	6 overs per spell	12 overs per day
U16, U17	7 overs per spell	18 overs per day
U18, U19	7 overs per spell	18 overs per day

- 6.2 If play is interrupted, for any reason, for less than 40 minutes any spell in progress at the time of the interruption can be continued after the interruption up to the maximum number of overs per spell for the appropriate age group.
- 6.3 If the spell is not continued after the interruption the bowler cannot bowl again, from either end, until the equivalent number of overs to the length of his spell before the interruption have been bowled from the same end.
- 6.4 If the interruption is of 40 minutes or more, whether scheduled or not, the bowler can commence a new spell immediately.
- 6.5 Once a bowler covered by these Directives has bowled in a match, he cannot exceed the maximum number overs per day for his age group even if he subsequently bowls slowly.
- 6.6 He can exceed the maximum overs per spell if bowling slowly but cannot then revert to bowling fast until an equivalent number of overs to the length of his spell have been bowled from the same end.
- 6.7 If he bowls slow without exceeding the maximum number of overs in a spell the maximum will apply as soon as he reverts to bowling fast.
- 6.8 Captains, Team Managers and Umpires are asked to ensure that these Directives are followed at all times.

## 7 ECB Guidelines for Junior Players in Open Age Cricket

The ECB has issued guidance covering the selection and participation of young players in open age group cricket. This is to help clubs decide when to select young players in open age group cricket and how best to help their cricketing development when they play within open age groups. The ECB keeps these guidelines under review and following feedback from clubs and leagues, has revised these guidelines from the 2011 season. The ECB will continue to monitor the impact of these guidelines and you are invited to feedback your thoughts and comments in writing to the ECB Non-First-Class Cricket Department.

The Guidance is as follows:

Making the step up from junior to open age group cricket is a significant event in any player's

cricketing experience. Ensure the player's safety, personal development needs and overall cricket experiences are considered.

There is no definitive age at which a player should be introduced to open age group cricket, but each case is to be determined on an individual basis, depending on the player's ability and stage of cognitive and emotional maturity to take part at this level. That said clubs, squad coaches and managers must take into account the requirements on age detailed in the last bullet of this guidance.

ECB Fast Bowling Directives and Fielding Regulations should always be adhered to for junior players in open age group cricket.

Provide an opportunity for players to show their talents in an appropriate way. Children who are just used as fielders will not fully experience the game.

Be supportive, at all times, for all forms of effort, even when children are not successful. Try and put them in situations where they will experience some success (however small) and ensure plenty of praise and encouragement.

Try and involve them in all aspects of the game wherever possible i.e. socialising, team talks, practice, decision making and so on, so they feel part of the team.

Children will often feel more comfortable and able to perform if they have a family member or friend playing in the side.

Remember, children's early experiences will remain with them always and will often determine whether they want to remain playing the game or give up and do something else.

Players who are selected in a county U12 squad in spring for a summer squad or in another squad deemed by ECB Performance Managers to be of a standard above 'district level' for that season are eligible to play in open age cricket. This is providing they are at least 11 years old, are in school year 7 on 1st September in the year preceding the season and have written parental consent to play. In allowing these players to play in open age cricket it is essential clubs and coaches recognise the 'duty of care' obligations they have towards these young players.

This means boys and girls who are county squad and area squad players, are able to play open age group cricket if they are in an U12 age group and are a minimum of 11 years old on the 1st September of the year preceding the season. District and club players who are not in area or county squads must wait until they reach the U13 age group, be in year 8 and be 12 years old on 1<sup>st</sup> September of the preceding year before being able to play in any open age group cricket. As before written parental consent is required for these players.

The duty of care should be interpreted in two ways:

Not to place a young player in a position that involves an unreasonable risk to that young player, taking account of the circumstances of the match and the relative skills of the player.

Not to create a situation that places members of the opposing side in a position whereby they cannot play cricket as they would normally do against adult players.

In addition, the guidelines note the need for clubs and leagues to recognise the positive experience young players should have in open age cricket. Clubs should provide an opportunity for players to show their talents in an appropriate way. Children who are just used as fielders will not fully experience the game.

## 8 D40 National League

### 8.1 General Rules

- 8.1.1 D40 National League cricket is a format that is designed to be played between franchised hardball teams and is available to provide an appropriate level of traditional hardball cricket for disabled players who wish to play a higher level of competitive cricket.
- 8.1.2 Each competing side can have 11 players in their playing teams, with up to 3 substitute players.
- 8.1.3 Games are played with 40 overs per side and are played using a traditional cricket ball and under the normal rules of cricket.
- 8.1.4 D40League teams can be comprised of players elected for play from neighbouring counties, however, traditional 'county' teams are encouraged to enter too.
- 8.1.5 Teams will wear traditional white clothing; however, it is an aspiration to move into a coloured clothing format.
- 8.1.6 Games will be played with pink cricket balls
- 8.1.7 There are NO powerplays in this format, however 4 fielders are expected to remain inside the 30-metre circle during the entire innings.
- 8.1.8 Competing teams can have franchised names if required.
- 8.1.9 There will be three divisions. Division One will be the 'National League'. Two division twos will exist based on geographical location.
- 8.1.10 The winner of division one will be deemed a national county champion. The two leading teams in the respective division twos, will take place in a play-off to determine which team gets promoted. The team at the bottom of division one at the end of the season will get relegated to the appropriate division

### 8.2 Player Eligibility and Restrictions

- 8.2.1 ALL players involved in the D40 National League MUST undergo eligibility classification (either PD, LD or Deaf)
- 8.2.2 No unclassified players are eligible to take part.
- 8.2.3 Counties who have more than one team entered MUST make it known to the competition organiser the **TEN CORE PLAYERS** who will only be able to play for the first team of their county.
- 8.2.4 All other registered players will be able to play for any of the teams from their county
- 8.2.5 Teams playing in Division ONE will face no restrictions on player level, runs scored or wickets taken
- 8.2.6 In Division TWO, teams are restricted to having a maximum of THREE (combined) England PD, England LD or England Deaf national squad members only per game. This does not affect players who are in regional or Lions squads. However, competing teams may wish to include any number of England players where both teams are in full agreement
- 8.2.7 ALL batsmen in division two MUST 'retire out' once they have scored 100 runs.
- 8.2.8 ALL bowlers in division two are restricted to taking FIVE wickets. Once five wickets have been taken, the bowler must retire immediately. If the retirement happens mid-over, then the over must be completed by another team member.

### 8.3 Wet Weather Rules

- 8.3.1 Rain effected – Prior to Start – For each four-minute delay or part thereof an over will be deducted. This will continue to a minimum of 15 overs per side. All games must be played with the same number of overs for each team, so overs deducted prior to the start of the game, will apply to both innings.
- 8.3.2 Once the 15 over threshold has been exceeded, the rules for a bowl off will apply (semi-finals and Finals only).
- 8.3.3 Rain effected – Match has started – If rain effects the game during the first innings then for every four minutes lost (or part thereof) an over will be deducted from both innings, if the game is delayed by 8 minutes, two overs will be lost for each team making it a 38 over per side game.
- 8.3.4 If rain effects the game during the second innings overs will be reduced at the rate of four minutes per over, however the required score will be adjusted based on the first innings run rate plus premium of 10% to ensure fairness to both sides. 15 overs in the second innings will be required to constitute a game.
- 8.3.5** For example, if the side batting first scored 175 from their allotted overs, which in this case was 40 and the side batting second lost 20 minutes due to rain, their overs would be reduced by 5 overs to 35. This would mean that their target to win would be 175 divided by 40 equalling 4.375. This would then be multiplied by 35 (the number of available overs in the second innings), giving 153.13. This result would then be increased by 10%, giving a winning target of 168.
- 8.3.6 If the second innings fails to last 15 overs, then a bowl-off will apply. (semi-finals and finals only).
- 8.3.7 In a normal league match, if the second innings fails to last 15 overs due to weather, then the game will be

### 8.4 League Tables and Points System

8.6.3 The decision of the subcommittee will be conveyed to the plaintiff within 48 hours of the result and that decision will be final – no further appeals will be heard.
