

WOMEN'S AND GIRLS' PLAYING PATHWAY

ALL STARS CRICKET

All Stars Cricket provides a fantastic first playing experience for 5 - 8-year-olds. Learn new skills, make friends, and receive a personalised backpack full of goodies to use during the programme and beyond.

DYNAMOS CRICKET

Dynamos Cricket provides a seamless next step for All Stars graduates or a perfect introduction for those aged 8 - 11. Dynamos is all about developing skills and applying them in match play situations. Every Dynamos participant receives their own New Balance personalised t-shirt and there are now many Dynamos courses nationwide specifically for girls.

CRICKET IN SCHOOLS

In partnership with organisations such as Chance to Shine and Lord's Taverners, ECB supports a growing number of focused opportunities for girls to play cricket in primary and secondary schools, both informally and competitively.

CLUB CRICKET

The bedrock of the recreational game, club cricket offers playing opportunities for all ages and abilities. Whether players are looking for coaching and competitive hard ball or soft ball matches, or something more social such as soft ball festivals, the club game has it covered.

EARLY ENGAGEMENT PROGRAMMES

This programme creates fairer access into the talent pathway for 10 to 12 years olds, encompassing winter practice and meaningful summer match-play elements. It enables players to perform to maximum capability over time and inspires a lifelong engagement in cricket.

COUNTY AGE GROUP CRICKET

Counties run winter/summer training and match-play programmes for players from U13 through to U18. These are development-driven environments where players are provided with meaningful experiences and have the chance to develop their individual game within a County team.

ENGLAND WOMEN

Representing England women internationally signifies the pinnacle of the women's and girls' playing pathway. The team has been professional since 2014.

ENGLAND WOMEN'S INTERNATIONAL PATHWAY

ECB programmes which focus on preparing players to transition successfully into the England Women's team.

THE HUNDRED

An action-packed 100 ball cricket competition featuring the very best female players from around the world. Consisting of eight city-based teams, The Hundred presents male and female players on the same platform, competing for equal prize money.

WOMEN'S DOMESTIC GAME

Now a three-tier system, tier 1 comprises eight professional teams, semi-professional at Tier 2, and widespread opportunities at Tier 3. Tier 1 counties compete in **Metro Bank One Day Cup** (50 over competition) and **Vitality Blast** (T20 competition). Tier 2 counties participate in their respective divisions (League Two). Tier 3 consists of teams from National County Clubs and includes a mix of regional divisions (National, North and South).

ACADEMIES

Tier 1 County Academies deliver year-round individualised and holistic programmes of support, training and match play opportunities.

EMERGING PLAYER PROGRAMMES

Emerging Player Programmes are delivered by Counties and provide individualised programmes for players aged typically between 13-18 years old. These programmes offer an increased level of support between County Age Group and Tier 1 Academy programmes.
