3 PLAYING UNIFORM FOR THE COUNTY CHAMPIONSHIP

- 3.1 Regulations 3.2 to 3.20 apply to playing uniform worn during the County Championship.

Playing shirts

- 3.2 Playing shirts must be primarily white or ivory. Use of colour, design and/or other features are strictly limited and are subject to the following restrictions:

- 3.2.1 A maximum of three additional colours may be used in small sections for contrast on the piping, trim, topstitching, or panel inserts only. No large blocks of colour are permitted.
- 3.2.2 Each shirt must include the Cricketer's name and number on the back of the shirt. Names and numbers are primarily intended for identification purposes. Numbers must consist of a maximum of two digits, with the height of each number being at least 7.9 inches (20 centimetres) and no taller than 9.75 inches (25 centimetres). Names must be the Cricketer's name as detailed in their player registration form or as otherwise approved by the ECB Commercial Team, with the height of each letter being at least 2.34 inches (6 centimetres) and no taller than 2.93 inches (7.5 centimetres). Names and numbers must be centred with the Cricketer's name appearing above their number. The font style used must enable the name and number to be clearly legible, and the ECB Commercial Team may require a different font to be used at its discretion. In addition to the three additional colours permitted under Regulation 3.2.1 above, the colour of the name and number must be suitably contrasting with the base colour of the kit for maximum visibility. Each Cricketer must wear their own 'named' and 'numbered' playing shirt during a match.
- 3.2.3 For special occasions (including commemorative or charity matches) additional allowances may be made for Professional County Clubs to commemorate the occasion on the shirt on a strictly non-commercial basis, subject to the full discretion of the ECB Commercial Team. Written approval of such requests must be sought and received from the ECB Commercial Team more than two weeks prior to the event (or within 24 hours after reaching the final in the event of the qualifying match being played less than two weeks prior to the final). In addition, Professional County Clubs may be able to commemorate achievements (such as winning events in prior years) subject to the full discretion and approval of the ECB Commercial Team.
- 3.2.4 The depiction of Professional County Club names in bold letters across the front or back of shirts and sweaters is not permitted.
- 3.2.5 Cricketers' initials, number indicating a Cricketer's order of selection for their Professional County Club or milestone appearances may be included on the playing shirt either:

 - (b) on the non-leading arm; or
 - (c) on one side of the headwear.
- Such numbers must not be more than 1.5cm in height.
- 3.2.6 Professional County Clubs who have won any previous years' tournaments are entitled to have one star (or alternative commemorative mark as agreed by the ECB Commercial Team) above or below the Professional County Club crest on the playing shirts used in the same tournament. Professional County Clubs are permitted subsequent stars for repeated tournament wins (whether successive wins or otherwise), one per victory. This star, or commemorative mark, must be centred and no larger than 1.56cm squared (for example 1.25cm x1.25cm).

Professional County Clubs are permitted to have the star, or commemorative mark, in either gold, white or silver depending on their kit colour and suitability.

This must be positioned in a way that does not interfere with any other Mark.

3.3.2 Manufacturer's Mark:

- (a) Must not exceed 6 square inches (38.71 square centimetres).
- (b) Must only be positioned on either the right chest or the non-leading arm of the main body of the playing shirt.
- (c) May also be featured on the piping or tape on the inside of the collar.

3.3.3 Commercial Mark:

Subject to the sole discretion and approval of the ECB Commercial Team, if a Professional County Club chooses not to have a Commercial Mark on the back and/or collar and/or non-leading arm of the playing shirt, the position(s) in which the Professional County Club chooses not to have a Commercial Mark may be used for a Team Mark. Otherwise, the following restrictions apply to Commercial Marks on a playing shirt in each respective position:

- (a) On the front of the playing shirt, must not exceed 32 square inches (206.45 square centimetres).

- (c) On the non-leading arm of the playing shirt, must not exceed 10 square inches (64.52 square centimetres).

- (d) On the collar of the playing shirt, both left and right sides of the collar may be used but each mark must not exceed 3 square inches (19.35 square centimetres). Commercial Marks may be replicated on the underside of the collar, but these must be identical in size, design and positioning to the Commercial Marks on the topside of the collar. On playing shirts without a fold-over collar, Commercial Marks must be placed in a reasonably equivalent position near the neck and approval of the position will be at the ECB Commercial Team's sole discretion.
- (e) On the leading arm of the playing shirt, only ECB designated Competition Marks are permitted, and these must not exceed 10 square inches (64.52 square centimetres). Patches featuring the Competition Mark, complying with the size restrictions, will be supplied by the ECB.
