The Playing Conditions for the Rothesay County Championship, as varied below, apply to the Professional County Clubs Second XI Championship from the Effective Date.

Effective Date means 1 April 2026.

Second XI Friendlies

Playing Conditions for 2-, 3-, and 4-day friendlies will be agreed between the participating teams and the umpires with any dispute referred to ECB Domestic Cricket Operations.

1. LAW 1 – THE PLAYERS

1.1 In addition to Rothesay County Championship Playing Condition 1.1 (Number of players), the following shall apply:

By agreement of the captains, either one or both may nominate 12 players but with 11 only to bat per innings (this may be a different 11 batting in the second innings than in the first innings). For the avoidance of doubt one captain, by agreement, may nominate 12 players when the opposing captain has elected to nominate 11.

1.2 When a side consists of 12 nominated players, there shall be no limit on the number of occasions an exchange of nominated players can take place when that side is fielding, always providing not more than 11 fielders shall field at any one time.

1.3 Umpires shall be informed of all player exchanges on every occasion.

1.4 Regardless of whether 11 or 12 players have been nominated in a team, prior to the scheduled start of play on the last scheduled day of the match, a replacement player shall be allowed by right immediately in the event of a cricketer currently playing in a Second XI Championship match (a) being required, to join an England representative team or their Professional County Club's First Team (**First XI**) for a three/four-day match or a one-day match or (b) sustaining an injury or illness such that they can take no further part in the match or (c) being replaced by a First XI player because they have been replaced in the First XI by a returning England player or (d) being required to fulfil an academic commitment. Such replacement may be permitted to bat, bowl or act as wicket-keeper in that match, subject to the approval of ECB Domestic Cricket Operations, provided that it is not intended that the cricketer originally selected will return and participate again in the match.

If the cricketer originally selected is batting at the time they are required to leave the match, they shall retire 'not out' and their replacement may be permitted to bat later in that innings subject to the approval of ECB Domestic Cricket Operations. If, however, it is intended that the cricketer originally selected will return and participate again in the match, a replacement player will not be permitted to take their place during the period of their absence. The number of replacement players permitted to take a full part in a match shall be limited to two per team in any match other than in exceptional circumstances approved by ECB Domestic Cricket Operations.

3. LAW 3 – THE SCORERS

Rothesay County Championship Playing Condition 3.1 shall not apply.
